

TAKING BUSINESS FURTHER THROUGH MEANINGFUL DIGITIZATION

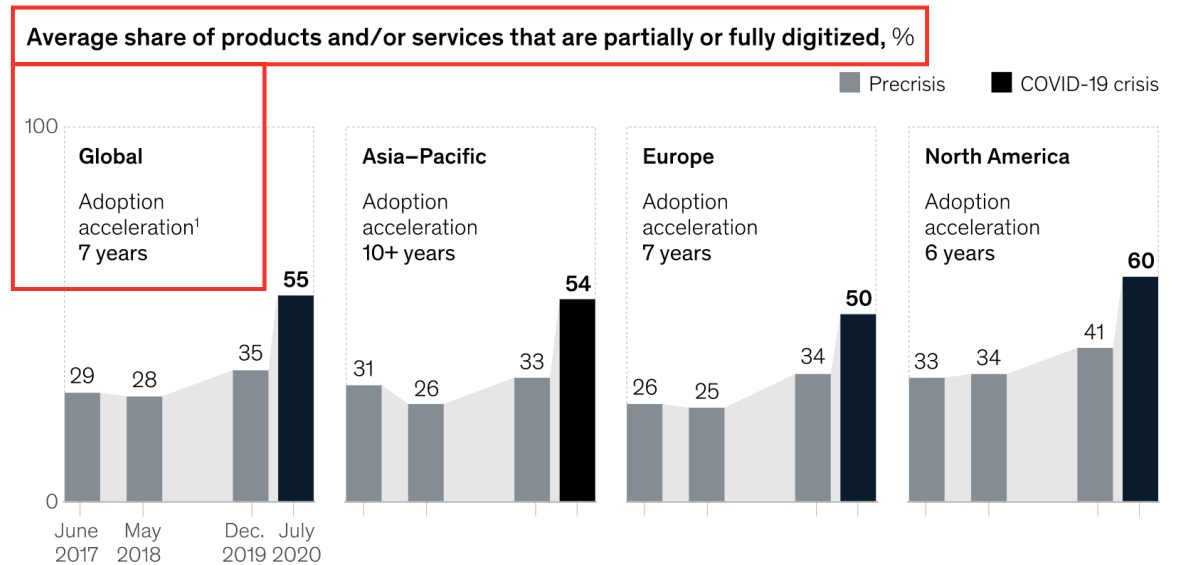

FASTER THAN WE THINK

The COVID-19 crisis has accelerated the digitization of customer interactions by several years.

¹Years ahead of the average rate of adoption from 2017 to 2019.

Across business areas, the largest leap in digitization is the share of offerings that are digital in nature.

¹Years ahead of the average rate of adoption from 2017 to 2019.

THE RUB

Doing business internationally has become the norm, but it is still a challenging environment to navigate - politically, culturally, economically and perhaps even more so in these changing and uncertain times.
