

UNIFORM RULES FOR BANK PAYMENT OBLIGATIONS

Comprehensive online training on the URBPO

Course overview

Four hours of structured training in all aspects of the URBPO, from the basic concepts through to a detailed analysis of the rules. The course will help you understand how the new BPO Rules will operate in practice.

■ Course content

The course includes detailed treatment of all sections of the URBPO including:

- Background to the URBPO, what is a BPO and how does it work?
- The parties to a BPO and the benefits of using a BPO?
- The Scope and application of the URBPO
- The definitions and terminology associated with the URBPO
- Detailed analysis of the URBPO messaging structures

■ Assessment

Benefits

- The course content was developed in collaboration with Mr Gary Collyer, Senior Technical Advisor to the ICC Banking Commission, and Chair of the URBPO Drafting Group.
- One-year access
- ICC Certificate of Achievement sent to you upon completion

Price
